

SAVE TIME, MONEY, or BOTH

LET US HELP YOU SAVE TIME & MONEY WITH OUR BEST IN CLASS CUSTOMER SERVICE & QUALITY PRODUCTS.

WHY SAFARI?

Our mission is to manufacture, assemble, sell and deliver the highest quality conveyor belts, on-time, with best-in-class customer service. We work tirelessly to deliver excellence and win in all situations. With the help of our knowledgeable sales force and in-house support team, we provide for the needs of our customers to ensure satisfaction.

MADE IN THE USA

Safari Belting products are proudly produced in the USA! Our headquarters location in Olathe, KS houses injection molding, engineering, quality control, production, customer service, sales, accounting and operations. In order to ensure the stability of our supply chain, redundant part manufacturing capabilities are installed with our manufacturing partner.

NO EXPEDITE FEES!

Safari Belting puts our customers' needs first! Our customers have no need to worry about extra fees when production is down. We are centrally located, which allows flexibility to deliver within 1-3 business days. When you are down, rely on Safari Belting to get you up and running!

EASY CONVERSIONS

Safari Belting has belting solutions that will easily convert an old competitor's belt to a Safari Belt. With our 3 Types of Conversions, our customers can patch a line without changing the whole line.

EXCELLENT SERVICE TEAM

Safari Belting is comprised of Sales Reps and in-house support team that is ready to serve our customers. Our team is knowledgeable, friendly, and excellent problem-solvers who are able to provide for all customer needs.
